

Technical specifications for EcoTank® M3170

PRINT	
Print technology	PrecisionCore® inkjet technology optimized for monochromatic printing
Print direction	Bi-directional
Nozzle configuration	800 nozzles black (2 rows of 400 nozzles)
Ink droplet size	2.8 picofliters with variable ink drop technology
Print language	Epson ESC/P Raster and ESC/P-R (without PC)
Maximum print resolution	1200 dpi x 2400 dpi
Maximum print speed*	38 ppm (draft, A4/letter)
Velocidad de impresión ISO†	20 ppm black (A4/letter)
ISO print speed**	20 ppm (A4/letter)
ISO print speed duplex**	9 ppm (A4/letter)
First Page Out Time (FPOT)†††	Approx. 6 seconds once the data is received (A4/letter)
FPOT ISO duplex printing††††	13 seconds (A4/letter)
Recommended monthly duty cycle‡	250 - 1,500 pages
Recommended maximum duty cycle‡§	Up to 20,000 pages
Print functions	Automatic printing on both sides (duplex), collate, print in silent mode
COPY	
Maximum copy speed†	30 cpm black (draft/A4/letter)
ISO copy speed††	17 cpm black (A4/letter)
Quality	Text and image up to 600 dpi x 600 dpi in plain paper
Quantity	1-99 (without PC)
Number of colors	Grayscale: 256 gradations
Maximum resolution	Input: up to 600 dpi x 600 dpi; output: up to 1200 dpi x 1200 dpi
Maximum size	Legal (ADF) and A4/letter (scanner bed)
Copy characteristics	Automatic double-sided copying, reduce and enlarge (25% - 400%)
SCAN	
Type of scanner	Flat bed with color CIS line sensor
Scanner speed††	12 seconds black and white / 27 seconds color PDF and A4 size at 200 dpi
Maximum scanner area	8.5" x 11.7" (216 mm x 297 mm)
Resolution optical/maximum	1200 dpi / 1200 dpi x 2400 dpi
Depth of color	Color input: 48 bits; output: 24 bits; Grayscale input: 16 bits, output: 8 bits Black and white input: 16 bits; output: 1 bit
TFAIN output format	PDF, JPEG, PNG, TIFF, Multi-TIFF, BMP (Windows®), PICT (Mac®)
FX	
Modem	33.6 Kbps
Memory	Up to 180 pages
Fast dial	100 (maximum)
AUTOMATIC DOCUMENT FEEDER (ADF)	
Feeder capacity	35 pages (A4/letter), 10 pages (legal)
CONNECTIVITY	
Interface and connectivity	Hi-Speed USB, Wi-Fi (802.11 b/g/n), Wi-Fi Direct™, Ethernet 10/100 Mbps
Network and network printing protocols	TCP/IP/v4/v6, SNMP, HTTP, DHCP, BOOTP, APPA, PNG, DDNS, SLP, WSD, LLTD
WLAN security	WEP 64-bit, WEP 128-bit, WPA PSK (AES)
Compatibility	Windows Vista™/ Windows 7™/ Windows 8.1/ Windows 10 (62 bit, 64 bit, Windows Server® 2003, Server® 2008, Server® 2012, Mac OS X 10.6.8 / Mac OS® 10.14.x
WIRELESS PRINTING	
Services supported	Epson Connect™ Solutions: Epson Print™ App (iOS®, Android™), Remote Print Driver, Google Cloud Print™, Mopria Print Service™, Apple AirPrint™, Scan to Cloud™.
PAPER HANDLING	
Number of paper trays	1 front (250 pages), 1 back (1 page)
Paper loading capacity (80g/m²)	251 standard pages, 10 envelopes and 30 post cards
Output tray capacity	100 pages (A4/letter), 20 post cards
Paper output	Face-up / face-down
Maximum size	Legal 8.5 x 14" (216 x 356 mm)
Paper formats	Plain paper: A6 (105 x 148 mm), half letter (140 x 216 mm), executive (184 x 267 mm), A4 (210 x 297 mm), office 9.8 x 14" (251 x 315 mm), letter 8.5 x 11" (216 x 280 mm), 8.5 x 13" (216 x 330 mm), Mexico 127 mm - max. 8.5 x 47.2 (215 x 1200 mm), #10 envelopes 4.1 x 9.4" (105 x 241 mm)
Paper types	Plain paper, Premium Presentation Paper Matte, Premium Presentation Paper Matte Double-Sided
Print margins	Top / Bottom / Left / Right: 3mm
Paper supported weight	Plain paper: 64 - 90 g/m², thin paper: 91 - 256 g/m²
GENERAL	
Screen	LCD 2.44" color
Weight and dimensions (width x depth x height)	Weight: 16.1 lb (7.3 kg) excludes inks and cables; Dimensions: 14.8 x 13.7 x 13.6 inches (375 x 347 x 346 mm)
What's in the box?	Black and white printer M3170, installation guide, CD-ROM with drivers, power cable, USB cable, 2 initiation ink bottles TS34
Origin country	Philippines
Limited and extended warranty	1 year standard warranty and extended to 5 years by registering the product‡
Energy consumption (approximate)	12 W (operation mode), 5W (ready mode), 0.9 (sleep mode)
Rated Voltage	AC 100 - 240 V
Rated Frequency	50 Hz - 60 Hz
Rated current	0.5 A - 0.2 A
INK	
Included bottles yield	2 bottles of black ink included print up to 11,000 pages*
Replacement bottle yield TS34	1 bottle of black ink print up to 6,000 pages*
Replacement bottle yield TS34S	1 bottle of black ink print up to 2,000 pages*
Genuine Epson pigmented ink	Ideal for printing documents with clear and sharp text, long-lasting with water and discoloration resistance. The EcoTank® M3170 was designed to use genuine Epson inks. Epson recommends the use of genuine ink to ensure reliable quality prints. Don't risk your warranty by using non-genuine inks that could cause damages not covered.
PRODUCT INFORMATION	
Printer and ink bottle product codes	M3170 (110d) C110392301 - M3170 (220d) C110392303 Black ink bottle TS34120-AL - Small black ink bottle TS34S120-AL

* Epson ink tank units sold worldwide as of October 2018. ECOTANK is a registered trademark of Seiko Epson Corporation. † Maximum pages per minute (PPM) are measured after the first page and are based on test patterns in draft mode on plain paper. †† Black printing speed is measured according to the ISO 15388/24:2014 standard. ††† First print speed is measured according to the ISO 15388/24:2014 standard from ready mode with the Adobe Reader files. †††† In comparison with the best selling A4 monochromatic laser printers and multifunctions with a print speed range of 1 to 30 ppm, sold during 2017 in Latin America. Calculation based on continuous printing with individual capacity cartridges. Real savings vary depending on the print jobs and the conditions of use. ‡ The standard warranty is from 0 to 3 months without page limits and 4 to 12 months or 25,000 pages (whichever happens first, to obtain 48 additional months (total of 60 months of warranty), or up to 60,000 pages (whichever happens first, register your product within 30 days of purchase. For more information about the Extended Warranty, go to www.latin.epson.com/garantia). This applies to printers bought before 12/31/2020. ‡§ Value based on the equivalent yield of 2 bottles of the Epson EcoTank M-Series, expressed as cost per page and weighted average yield of the replacement cartridges of the "comparison set of laser printers". ‡ - Part of the ink of the included bottles is used for the initial configuration, so the yields are lower than the replacement ink bottles. Yields of replacement ink bottles are based on the ISO 15388/24:2014 standard using Epson methodology. The yield of such by-products can vary considerably, due to issues that include printed images, printing configuration, temperature and humidity. The inks used to print and for fax are not included in the printer, and the ink must be available for printing. For more information, visit www.latin.epson.com. ‡ - Wi-Fi Certified™: the level of performance depends on the reach of the router used. Wi-Fi Direct™ could require printer software. ‡ - The energy savings is compared to the "comparison set of laser printers" based on the voltage in operation mode specified by manufacturers. The exact energy savings will vary depending on the use of the printer. ‡ - Only the printer is compatible with the Windows Server®. ‡ - Internet access is required to install drivers and OS software. Some applications or functions may not be available in Mac® OS X. ‡ - Most of the functions need an internet connectivity and a connected device and/or e-mail. To look for a list of printers available with Epson Connect™ and compatible devices and apps, visit www.latin.epson.com/connect. ‡ - A monthly duty cycle of up to 20,000 pages is the highest cycle that a user can expect in one month with an almost constant use of the printer. ‡ - It is not available to make the printer reach this level of copy. To obtain the highest yield from the printer, use the printer within the recommended duty cycle of 250 - 1,500 pages per month.
